EPIGLAM Lifesciences LLP

INTERNSHIP CERTIFICATE

This is to certify that Ms. Kanak, a student of Mechanical & Automation Engineering at Indira Gandhi Delhi Technical University for Women (IGDTUW), New Delhi, successfully completed her internship with EPIGLAM (Skincare Brand) from June 2025 to July 2025 as a Web Development Intern.

During her internship, she played a key role in establishing EPIGLAM's digital presence by developing and launching the company's complete e-commerce website using the Shopify platform.

Her responsibilities included:

- Designing and structuring the website layout and overall user interface
- Setting up product listings, collections, pricing, and inventory details
- Configuring payment integration and ensuring smooth checkout functionality
- Managing website content and product descriptions
- Implementing basic Search Engine Optimization (SEO) strategies
- Conducting testing and quality checks prior to website launch

Ms. Kanak demonstrated strong technical understanding, problem-solving ability, and professionalism throughout her internship. She completed all assigned responsibilities with dedication and within stipulated timelines. Her contribution significantly supported the successful launch of EPIGLAM's online platform. We appreciate her efforts and wish her continued success in her academic and professional journey.
